APPROVAL OF STATE ENGINEER

This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions:

No natural stream appearing at the point of diversion described in this application, the same is approved for underground waters only. In granting this permit it is assumed that the water hereby allowed is not percolating and therefore comes within the jurisdiction of the office of the State Engineer.

The amount of water to be appropriated shall be limited to the amount which can be applied to beneficial use, and not to exceed Eight tenths cubic feet per second. (0.8)

Actual construction work shall begin on or before April 15, 1916.

Proof of commencement of work shall be filed before May 15, 1916.

Work must be prosecuted with reasonable diligence and be completed on or before April 15, 1918.

Application of water to beneficial use shall be made on or before April 15, 1920. Proof of the application of water to beneficial use must be filed with State Engineer on or before May 15, 1920.

WITNESS MY HAND AND SEAL this 9th day

Cancelled APR 21 1917 because of failure of
of December, 1915.

State Engineer.
